CRAFTED FOR ADVENTURE

THE PROMISE OF DISCOVERY AND EXPLORATION IS FULFILLED. As a bright star in Canada's Best-Selling 4x4 SUV Brand,[9] Jeep® Cherokee offers the comfort of world-class craftsmanship matched with true Jeep Brand capability and advanced technology, making all of your travels a pleasure. It all comes together to deliver legendary performance that gives you the confidence to head out no matter what Mother Nature serves up.

DEALER ePROCESS

RISE TO THE HIGHEST STANDARDS

JEEP® CHEROKEE RAISES YOUR STANDARDS OF TRAVEL. For those who crave adventure as well as the finer things in life, this well-equipped mid-size SUV checks all the boxes. On Limited, you'll enjoy the standard Uconnect® 4 with an 8.4-inch colour touchscreen as it dominates your front dash, with standard Apple CarPlay[4] compatibility and Android Auto™[4] integration. Cherokee also arrives with a long list of standard safety and security features, along with desirable available features like Park-Sense® Front and Rear Park Assist System,[7] Full-Speed Forward Collision Warning with Active Braking,[7] and Blind-Spot Monitoring[7] and Rear Cross-Path Detection.[7]

YOUR CABIN IS DESIGNED TO KEEP TRAFFIC NOISE AND WIND INTERFERENCE AT BAY, allowing you to enjoy every mile to the utmost. The available acoustic windshield and front-door glass help achieve a ride that's luxurious and hushed wherever your travels take you.

Limited with Black Nappa leather-faced seats

AWARD-WINNING CONNECTION

UCONNECT® — YOUR BIG-SCREEN MOBILE TECH CENTRE The next wave of Award-Winning personalization and connectivity has arrived, with available features like Siri Eyes Free[10] voice commands, “Do Not Disturb” which routes incoming calls and texts, and the drag-and-drop menu bar that allows you to display your top Uconnect® features and services. Convenience is matched with peace of mind, leading you to make the most of your time on the road while remaining safe and secure.

Uconnect® + SiriusXM GUARDIAN

SIRIUSXM GUARDIAN[2] Drive worry-free with SiriusXM Guardian[2] — a premium suite of safety and convenience services that can be accessed in-vehicle or through the Uconnect App. Includes a one-year trial. Available.

SIRIUSXM GUARDIAN[2] SERVICES + UCONNECT APP

> **SOS CALL**[11] In the event of an incident, push the SOS button. You’ll be connected to a SiriusXM Guardian[2] agent who contacts 9-1-1, provides your location and stays on the line with you until help arrives.

> **ROADSIDE ASSISTANCE CALL**[12] puts you in touch with an agent who can get you help while you’re out on the road.

> **SIRIUSXM GUARDIAN[2] ASSISTANCE** Contact a Customer Care agent who can initiate remote commands or help troubleshoot your account.

> **LOCK/UNLOCK YOUR CAR** Activate from virtually anywhere.

> **START YOUR CAR** Remote start[22] pre-heats or pre-cools your vehicle.

> **FLASH THE LIGHTS** and sound the horn to help find your car in a crowded parking lot.

> Locate your car on a map using **VEHICLE FINDER.**

> Send destinations to your navigation system using **SEND & GO.**

> Receive alerts with **THEFT ALARM NOTIFICATION.**[13]

> **STOLEN VEHICLE ASSISTANCE**[14] If the unexpected happens, Stolen Vehicle Assistance will help police locate your vehicle.

> **FAMILY DRIVE ALERTS** Boundary Alert notifies you when Cherokee travels outside of a set geographic area. Curfew Alert notifies you when Cherokee is driven outside a specific time frame. Speed Alert lets you set speed parameters, notifying you if exceeded. Valet Alert notifies you if your vehicle is driven more than 0.4 km (1/4 mile) from a valet drop-off zone.

Uconnect®

TOUCHSCREEN CONTROLS Set temperature controls, activate heated seats and steering wheel, and so much more — all from the touchscreen. A drag-and-drop menu allows you to highlight your top six favourite features and services so they're always in sight on your 8.4- or 7-inch Uconnect touchscreen. Compatible with Apple CarPlay[4] and Android Auto,[4] so you can control your apps from your touchscreen, as well as your vehicle's climate controls. Available.

NAVIGATION Uconnect® employs GPS Navigation[15] for audible turn-by-turn directions, and detailed 3-D maps help to ensure you arrive on time. Use Voice Command[16] and say the complete address to get directions quickly. Available.

PHONE/TEXT Make hands-free phone calls[16] or use your voice to send a text. Pair up to 10 Bluetooth® enabled phones. See a visual prompt of incoming calls or texts and send an automated reply.

4G WI-FI[6] HOTSPOT All along the way, you can upload and download, post, and search. Uconnect with available Wi-Fi[6] links compatible devices to the Web so passengers can stay connected.

Limited in Granite Crystal Metallic

Works with Apple CarPlay

Display your favourite iPhone apps right on your Uconnect touchscreen. Access your iTunes library, call anyone in your contacts list or just ask Siri[10] to help you out while you drive. Get directions, make calls and send messages, and connect to Apple Music, all without pausing your journey. Available.

androidauto

Designed with safety and convenience in mind, Android Auto™[4] gives you the right information for the road ahead. Easily access your favourite music with Google Play Music, and get where you need to go with Google Maps. With your Google Assistant on Android Auto, you can keep your eyes on the road and your hands on the wheel while using your voice to help you with your day. Just say, "Ok, Google." Available.

LET THE SOUND TAKE YOU AWAY

ADD THE PERFECT AUDIOSCAPE TO EVERY ROAD TRIP. CHEROKEE HANDS OVER A LISTENING EXPERIENCE WITHIN ITS HUSHED CABIN THAT'S DESIGNED TO CREATE LUSH, CONCERT-QUALITY SOUND.

ALPINE®

THIS PREMIUM AUDIO SYSTEM WILL INSPIRE ALL OF YOUR TRAVELS. It's engineered in tandem with Alpine®, the leading manufacturer of high-performance mobile electronics. It features an 11-channel, 506-watt amplifier, nine perfectly placed speakers and an 8-inch subwoofer that work together in perfect harmony. Available.

DEALER ePROCESS

BEST-IN-CLASS 4x4 CAPABILITY[1]

The Jeep® Active Drive 4x4 systems available on Cherokee each deliver masterful capability. They all feature a unique disconnecting rear axle that allows a seamless transition in and out of 4WD, at any speed, adding a welcome gain in efficiency. You'll enjoy authentic freedom that opens every road, no matter which system you prefer.

JEEP® CHEROKEE 4x4 SYSTEMS

JEEP ACTIVE DRIVE I A fully automatic system that delivers seamless operation in and out of 4WD at any speed. Jeep Active Drive I also includes brake traction control that works to maintain a balanced torque distribution, helping this system deliver an easy-to-use all-weather boost in capability. Available.

JEEP ACTIVE DRIVE II A two-speed Power Transfer Unit (PTU) offers torque management and 4WD Low mode. This locks the front and rear driveshafts to deliver additional power at low speeds or for towing your toys. A driveline Neutral switch enables you to hitch Cherokee to your RV and take it along. Additionally, off-roading benefits from a 2.5-cm (1-inch) increase in ride height and an incredible crawl ratio of 51:2 when paired with the available 2.0L I-4 Turbo engine, and a ratio of 48:1 when paired with the available 3.2L Pentastar™ V6 engine, allowing Cherokee to climb steep hills and crawl over boulders with ease. Available.

TRAIL RATED® JEEP ACTIVE DRIVE LOCK includes everything in Jeep Active Drive II, plus a locking rear differential, providing even more capability and strength for severe off-road conditions, and a Rock mode option. Standard on Trailhawk® models.

Trailhawk® in Spitfire Orange

Trailhawk® in Hydro Blue Pearl

SELEC-TERRAIN®

EVERY CHEROKEE EQUIPPED WITH AVAILABLE 4x4 CAPABILITY arrives with a Jeep® Selec-Terrain® Traction Management System, giving you the power to tackle Mother Nature's toughest conditions. This system pairs with your 4WD to help adapt traction performance. Its selectable dial features Auto, Snow, Sport, Sand/Mud settings and, exclusive to Trailhawk,® Rock mode that doubles down on traction control to help master challenging conditions during on- or off-road travels. Selec-Terrain effectively coordinates 12 vehicle systems, including throttle control, transmission shifting, transfer case, traction control and Electronic Stability Control (ESC).[17] Sport mode delivers a more aggressive traction performance and is activated via a one-touch button.

TRACTION MANAGEMENT SYSTEM

AUTO In this mode, Selec-Terrain does all the work, automatically adjusting vehicle dynamics to best suit the road. To help ensure optimal efficiency, the rear driveline disengages when not needed.

SNOW adjusts for ultimate performance over snow- and ice-covered roads by maximizing vehicle stability and minimizing oversteer. Major systems auto-engaged and managed in this mode include antilock brakes and traction control.

SPORT Feel like having a little more fun on winding country roads? Select this mode and you're automatically tuned to handle a more aggressive driving style.

SAND/MUD maximizes low-speed traction by allowing additional wheel-slip via specifically tuned chassis controls, differentials and transmission ratios.

ROCK delivers Trail Rated® 4WD Low capability thanks to its locking rear differential, allowing you to crawl over rugged terrain at appropriately safe speeds. Standard on Trailhawk.

STRENGTH OF PURPOSE

2.0L I-4 TURBO ENGINE

The available 2.0L I-4 Turbo Engine performs with V6 muscle, yet sips fuel as an I-4 should. Direct injection boosts power while reducing emissions, and Engine Stop/Start (ESS) technology improves fuel economy. It's a perfect match of superior strength teamed up with welcome efficiencies. With its match to the 9-speed transmission, you'll enjoy strong takeoffs and smooth highway coasting.

9-SPEED AUTOMATIC TRANSMISSION

You'll notice a quick launch and smooth highway travel, with a confident shift performance at all times, for a unique level of luxury. A distinctive set of four overdrive ratios helps gain efficiencies while reducing overall noise and vibration. Economies are maximized and performance is optimal at all times. You're finely attuned to nearly any driving demand, both on- and off-road.

DEP
DEALER ePROCESS

ENGINEERED FOR THE LONG HAUL

3.2L PENTASTAR™ V6 ENGINE WITH ENGINE STOP/START (ESS) TECHNOLOGY This available workhorse is designed to deliver the kind of smooth and quiet power needed to support all-weather travel over any terrain. Its 271 hp and 239 lb-ft of torque are enough to reach a towing power of up to 2,041 kg (4,500 lb) when properly equipped.

2.4L TIGERSHARK® MULTIAIR® I-4 ENGINE WITH ESS TECHNOLOGY The Tigershark® engine performs efficiently while delivering a quiet and refined ride. Plus, for aggressive off-road destinations, it takes its 180 hp and 171 lb-ft of torque and conquers challenges with ease. Standard.

ESS TECHNOLOGY It helps reduce CO_2 emissions while improving efficiency, thanks to a dual-battery system and sophisticated controls that reduce fuel flow and turn off the engine when the vehicle brakes to a stop. When the brake is released, the engine seamlessly restarts and the transmission engages. This technology is virtually undetectable and will not adversely affect performance.

INDEPENDENT SUSPENSION SYSTEM Designed to be smooth and quiet on-road, tough and nimble off-road. Utilizes high-strength steel and aluminum, and MacPherson struts — renowned for their strength and stability.

BEST-IN-CLASS TOWING[20] You'll enjoy exceptional towing capability of up to 2,041 kg (4,500 lb) when your Cherokee is equipped with the available 3.2L Pentastar™ V6 engine and the available Trailer Tow Group.

Limited in Granite Crystal Metallic

DEP
DEALER ePROCESS

THE CONFIGURABLE 60/40 SPLIT-FOLDING rear seats give you plenty of options. Rear passengers can recline up to six degrees or move seats fore and aft for the perfect amount of legroom. Flip down one or both of the split seats to accommodate people along with their gear of choice. Available.

THE HANDS-FREE POWER LIFTGATE eliminates fumbling with packages and keys while loading into the cargo area. This convenient feature opens your rear liftgate automatically — just swipe your foot under the rear bumper. Available.

YOU CAN BRING IT ALL ALONG FOR THE RIDE. Chances are, when you're out there living on the go, you've got lots of gear in tow. With up to 1,634 litres (57.7 cu ft) of storage with the rear seats folded down, Cherokee's roomy cargo area helps you stay organized when you're staying busy.

REMARKABLY ACCOMMODATING

DEALER EPROCESS

80+ STANDARD AND AVAILABLE SAFETY & SECURITY FEATURES

ACTIVELY ON GUARD AT ALL TIMES

AN ARRAY OF SENSORS KEEPS WATCH OF YOUR PERIMETER AND WILL NOTIFY YOU WITH AUDIBLE AND VISUAL SIGNALS SHOULD ANOTHER VEHICLE OR OBJECT ENCROACH ANY OF YOUR SAFETY ZONES. IT'S THE LATEST TECHNOLOGY TO HELP CHEROKEE ACTIVELY STAND GUARD EVERY SINGLE MOMENT YOU'RE BEHIND THE WHEEL.

ADAPTIVE CRUISE CONTROL WITH STOP AND GO (ACC STOP)[7] Take the guesswork out of keeping a safe distance from the car ahead while cruising on the highway. The system automatically adjusts cruising speed to maintain a preset distance between you and the vehicle ahead, and can bring Cherokee to a complete stop without driver intervention to help avoid a collision. Available.

PARKVIEW® REAR BACK-UP CAMERA[7] When in Reverse, previously hidden objects are revealed on your Uconnect® screen, so you have time to react. Standard.

PARALLEL AND PERPENDICULAR PARK/UNPARK ASSIST[7] This active guidance system controls steering automatically. Let the system's ultrasonic sensors help you ease into parking spots as you gently brake and change from Reverse to Drive, as needed. Available.

TRAILER SWAY CONTROL (TSC) Crosswinds and traffic hold no sway over you and your payload. This control system helps keep you and the toys you tow safely on course. Standard.

LANE DEPARTURE WARNING WITH LANE KEEP ASSIST[7] Tactile and visual warnings are given should the system detect the vehicle drifting outside of lane boundaries or if the driver's hands are off the wheel. Available.

BLIND-SPOT MONITORING (BSM)[7] AND REAR CROSS-PATH DETECTION[7] These systems monitor the space between you and other drivers. When a side or rear blind spot is encroached, you're notified via illuminated icons on sideview mirrors. Available.

PARK-SENSE® FRONT AND REAR PARK ASSIST SYSTEM[7] Rear ultrasonic sensors determine relative distance to objects in your back-up pathway. Read-outs in the Driver Information Display provide notification of rear object proximity. An audible warning is given. Available.

FULL-SPEED FORWARD COLLISION WARNING WITH ACTIVE BRAKING[7] Sensors detect when Cherokee may be approaching another vehicle too rapidly. An audible and visual alert is provided, along with 1.5 seconds of brake assistance if the driver does not react in time. Available.

MOPAR VEHICLE PROTECTION. FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Mopar Vehicle Protection offers extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge and Ram retailer or call (800) 465-2001.

WARRANTIES. 2020 Chrysler, Jeep, Dodge and Ram vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with $0 deductible plus 24-hour roadside assistance‡ SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty* with $0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres.** Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres.** The EcoDiesel engine is backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with $0 deductible plus 24-hour roadside assistance‡ *Whichever comes first. Some conditions may apply. †The 5-Year/100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

DISCLAIMERS. 1. Based on *WardsAuto* Middle Cross Utility segmentation. Best-in-Class capability based on Jeep Cherokee offering 2-speed Power Transfer Unit (PTU) with rear locking axle, exclusive Jeep Selec-Terrain with 5 settings (including rock), and industry-first fully disconnecting driveline. Best-in-Class towing (excluding 7- and 8-passenger vehicles), approach angle, departure angle and ramp breakover angle. 2. All SiriusXM Guardian equipped vehicles come with a 12-month trial effective on the date of purchase or lease of a new vehicle. Enrolment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. 3. SiriusXM Traffic and SiriusXM Travel Link require a subscription, sold separately or as a package, by SiriusXM Radio Inc. If you decide to continue service after your trial period included with the new vehicle purchase, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Trial service is not transferable. Fees and taxes apply. Please see the Customer Agreement at www.siriusxm.ca for complete terms and how to cancel, which includes calling SiriusXM at 1-866-539-7474. All fees and programming are subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Data displays and individual product availability vary by vehicle hardware. Current information and features may not be available in all locations, or on all receivers. Weather Forecast, Current Conditions may not be available in all locations. 4. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Apple CarPlay requires a compatible iPhone connected via USB cable to the Uconnect system. Android Auto requires the Android Auto App on Google Play and an Android compatible smartphone running Android 5.0 or higher. Data plan rates may apply. 5. Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at www.siriusxm.ca. 6. Three-month/1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. 7. This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. 8. The Advanced Front Air Bags in this vehicle are certified to the federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 9. Based on IHS Markit Automotive Canadian New Vehicle Total Registrations for combined years 2013 to 2017 and CYTD August 2018 in all Brands and SUV segments 10. Siri Eyes Free requires an iPhone equipped with Siri. Certain features not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features 11. In the event of a medical or other emergency, press the SOS button to be connected to a Customer Care agent who can direct emergency assistance to your vehicle's location. 12. Roadside Assistance Call provides direct calling to Roadside Assistance Service. Vehicle must be within the United States, Puerto Rico or Canada and have network coverage. Additional roadside assistance charges may apply. Check warranty for details. 13. Theft Alarm Notification is compatible wih factory-installed alarms only. 14. Stolen vehicle police report required. Always notify law enforcement if your vehicle is stolen and do not attempt to recover it on your own. 15. Never program while driving. GPS mapping and available 3-D navigation may not be detailed or available in all areas or reflect current road regulations. 16. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 17. No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 18. Driving range based on 2020 *EnerGuide* highway fuel consumption ratings and fuel tank capacity. Your actual driving range will vary based on powertrain, driving habits and other factors. Use for comparison purposes only. 19. Based on *EnerGuide* highway fuel consumption ratings and fuel tank options. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Ask your retailer for the *EnerGuide* information. 7.6L / 100 km (37 mpg) highway and 10.4L / 100 km (27 mpg) city on Jeep Cherokee 4x2 models equipped with the 2.0L I-4 Turbo engine and 9-speed automatic transmission. Miles per gallon (MPG) ratings based on imperial gallon. 20. Based on *WardsAuto* Middle Cross Utility segmentation. Excludes 7- and 8-passenger vehicles. When equipped with 3.2L Pentastar VVT V6 engine with Trailer Tow Group. 21. Vehicle must be locked and system activated for alarm to sound 22. Remote Vehicle Start is not available on all vehicles. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect wherever you operate your vehicle. You must have an active subscription to SiriusXM Guardian in order to use remote services. See Terms of Service. 23. Do not attempt water fording unless depth is known to be less than 51 cm (20 inches). Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas.
