EXPAND YOUR VIEW With its large, 12.3-inch full-colour touchscreen, this Uconnect® system provides navigation^{1*} and a 6-month trial subscription of SiriusXM,² along with entertainment and communication functions that allow you to command a range of cabin comforts and features. Includes Apple CarPlay³ support and Android Auto^{TM3} compatibility.

FRONT-WINDSHIELD
STEALTH ANTENNA

12-WAY POWER
FRONT SEATS

WARN® WINCH

MADE FOR THE OUTDOOR COMMUTE

WE'VE MADE THE ICON EVEN MORE LEGENDARY For the first time ever, Jeep® Wrangler is available with the comfort of 12-way power front seats. The seat's electrical components are engineered to tackle up to a substantial 34 inches of water fording⁴ — one of our Trail Rated® hallmarks. The antenna is now concealed in the windshield to keep it from becoming tangled in low-hanging branches while on the trail. Opt for the factory-installed WARN® winch for up to 3,628 kg (8,000 lb) of pulling capacity.

Willys in Sarge and Rubicon® 392 in Anvil

EXCLUSIVE BENEFITS

FOR EVERY JEEP WRANGLER OWNER

Jeep® Wrangler vehicles are automatically enrolled in the Jeep Wave® Customer Care Program. It's designed to provide owners with dedicated support and a special package of benefits that enhance their ownership experience and thank them for their patronage. Visit jeep.ca/jeepwavecanada for full details.

-  NO-ADDITIONAL-CHARGE, WORRY-FREE MAINTENANCE*
-  CONFIDENCE WITH VEHICLE PROTECTION
-  DEDICATED OWNER SUPPORT
-  NO-CHARGE, FIRST-DAY RENTAL COVERAGE

*During the first 36 months of ownership.

LET NATURE BE YOUR COPILOT

Enjoy the open-air freedom only found in a Jeep® Wrangler. It's like nothing else. Feeling the wind in your hair as you travel, with no separation between you and the world, is what makes Wrangler one of a kind.

Rubicon® 392 in Anvil

REMOVABLE⁵ TOPS

Open-air driving has never been more fun than with the standard Premium Sunrider® Soft Top or the available Freedom Top® Modular Hardtop.

REMOVABLE⁵ DOORS

Made of lightweight aluminum, the doors are designed for easy removal with the included TORX® toolkit.

HALF DOORS

Available half doors, with or without upper fabric panels, open you up to experiencing fresh-air freedom in an exciting new way.

FOLD-DOWN WINDSHIELD⁵

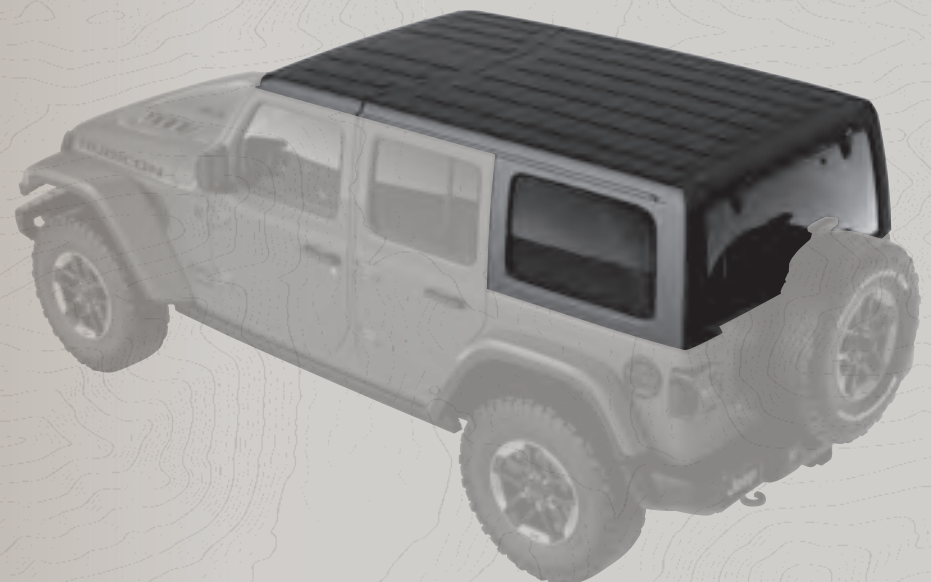

The aluminum-framed windshield is easy to unfasten, fold down and secure to the hood with available straps.

DEALER ePROCESS

SUNRIDER® SOFT TOP

The easy-to-use Premium Sunrider® Soft Top with its zipperless design is standard on all Jeep® Wrangler models. Its simple operation allows the top to glide open with the help of spring-loaded support bars. Crafted from heavy-duty, waterproof cloth material and comes in Black.

FREEDOM TOP® MODULAR HARDTOP

This three-piece hardtop is light and easy to remove.⁵ For a full, open-air experience, you can take off⁵ all three sections or let in the sun by just removing⁵ the two front panels. Available in Black or body-colour depending on model.

SUNRIDER FLIP TOP FOR HARDTOP

Look up to see more of the sun, sky and stars. Made with premium materials that allow for year-round use, the Sunrider Flip Top for Hardtop replaces the Freedom Panels with a soft top that can easily open — and close — in seconds. Available from Mopar®.

SKY ONE-TOUCH® POWER TOP

With one-touch operation and removable⁵ rear quarter panels. Available.

RATED FOR ADVENTURE

TOW CONFIDENTLY Jeep® Wrangler doesn't just conquer trails, it expertly tackles towing. When properly equipped, Wrangler can tow up to 2,267 kg (5,000 lb).

TRAILER SWAY CONTROL (TSC) Crosswinds and traffic hold little sway over you and your payload. As part of Electronic Stability Control,⁶ TSC helps keep you and the toys you tow safely on course. Standard.

DEP

TAKE FREEDOM TO **POWERFUL HEIGHTS**

THESE JEEP® BRAND POWERTRAINS OFFER AN IMPRESSIVE MIX OF EFFICIENCY, POWER AND PULL

2.0L TURBO I-4 ENGINE WITH ENGINE STOP/START (ESS) TECHNOLOGY

This engine offers smart energy-generating functions, including ESS, electric power assist, extended fuel shutoff, transmission shift management, intelligent battery charging and regenerative braking. Direct injection boosts power while reducing emissions, and eTorque technology provides a smooth ESS experience along with electric torque assistance. With the standard 8-speed automatic transmission, you'll enjoy strong takeoffs and smooth highway coasting. Standard on Sahara®. Available on Sport.

270
HORSEPOWER

295
LB-FT OF TORQUE

3.6L PENTASTAR™ V6 ENGINE

This proven engine employs friction-reducing applications that ensure its smooth operation. Exceptional efficiencies add even more value, helped by the addition of ESS. It comes matched to a sturdy 6-speed manual transmission, or choose the 8-speed automatic transmission (available on Rubicon® and Rubicon X models only). Both versions deliver equally powerful horsepower and torque.

285
HORSEPOWER

260
LB-FT OF TORQUE

6.4L HEMI® V8 ENGINE WITH FUELSAVER TECHNOLOGY

It's been known to go from 0 - 60 mph in 4.5 seconds and clock in a 1/4 mile in 13 seconds. This powerful workhorse is engineered for strength and endurance, churning out 470 hp and 470 lb-ft of torque. FuelSaver Technology optimizes efficiency when V8 power is not required, with no sacrifice in performance. Standard on Rubicon 392.

470
HORSEPOWER

470
LB-FT OF TORQUE

8-SPEED AUTOMATIC TRANSMISSION

The launch ratios for all eight gears have been optimized, tuning this 8-speed transmission to the exact structure, size and weight of your Jeep® Wrangler. Advanced software adjusts performance on the fly, based on variables such as temperature, cornering, hill grades, Four-Wheel-Drive (4WD) gears and towing. Smooth and virtually seamless shifts, both up and down, deliver a consistently smooth ride. Standard on Sahara. Available on Rubicon and Rubicon X.

6-SPEED MANUAL TRANSMISSION

For those who prefer to really put themselves into every shift, this one's for you. It hands you low 1st and Reverse gears, which are great for off-roading. You'll have what it takes to handle steep inclines and climb over boulders while remaining in control in 1st gear.

ROCK-SOLID COURAGE

Never back down and always stay the course. When the going gets tough, Jeep® Wrangler takes the lead and keeps going. A full lineup of authentic capability features helps to manage your progress while keeping the vital parts safe and sound. On top of it all, Wrangler keeps you informed of critical vehicle information, performance stats and more.

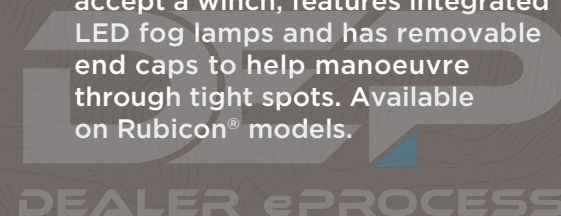

Rubicon® 392 in Anvil

OFF-ROAD PAGES Access real-time performance data like suspension travel or keep an eye on your tilt and pitch. In-depth vehicle diagnostics, including wheel turn, articulation and transmission temperature, help to provide an optimized experience. Available.

SELEC-SPEED® CONTROL Manages vehicle speeds of 0.96 – 8 km/h (0.6 – 5 mph) in 4-LO while traversing off-road terrain without requiring the driver to control the throttle or the brake. This helps the driver focus on steering the vehicle, letting Wrangler put the right amount of power or braking onto the ground. Included with the available 8-speed automatic transmission.

STEEL BUMPERS Built with ultra-strong steel to take the punishment of the trails. The front bumper can accept a winch, features integrated LED fog lamps and has removable end caps to help manoeuvre through tight spots. Available on Rubicon® models.

SKID PLATES The underbelly of your beast is protected, giving you peace of mind when you're climbing over huge boulders and navigating rough terrain. Every Wrangler gets skid plates covering the fuel tank, transfer case and transmission, so move forward with confidence on every road and trail. Standard.

TOW HOOKS You're given important tools to play the hero when need be. Every Wrangler gets two tow hooks up front and one in back. On Rubicon models, they're painted Red to stand out from the crowd.

LOCKED IN YET FLEXIBLE

OFF-ROAD+

When engaged, it automatically deciphers the type of terrain Jeep Wrangler is operating on and makes adjustments to key systems, including throttle, Selec-Speed® Control, traction control and transmission shift mode, for optimal performance. If enabled in 4-HI, it tailors operation for higher-speed sand performance. If enabled in 4-LO, it adjusts operation for low-speed rock-crawling manoeuvres. Standard and exclusively on Rubicon® models.

TRU-LOK® DIFFERENTIALS

Front and rear electronic-locking differentials deliver maximum torque to both wheels, maintaining forward momentum for the ultimate in Four-Wheel-Drive (4WD) traction. An instrument-panel-mounted rocker switch can lock either the rear or both axles. Paired with Rock-Trac® 4WD system on Rubicon models.

FRONT SWAY BAR DISCONNECT SYSTEM

Flip a switch and the sway bar can be disconnected in 4-LO or 4-HI, allowing the front suspension to travel up to an additional 30 percent. It automatically reconnects at speeds above 28 km/h (18 mph). Standard and exclusively on Rubicon models.

FORWARD-FACING OFF-ROAD TRAILCAM⁹

Mounted within the grille, the TrailCam provides an up-close view of the trail directly in front of your vehicle, helping you navigate over and around obstacles. Available.

TRAIL RATED® NO OTHER BRAND CAN TOUCH IT

EVERY JEEP® WRANGLER WEARS THE TRAIL RATED® DESIGNATION, SHOWING IT HAS BEEN TESTED AND PROVEN IN FIVE MAJOR CATEGORIES, HELPING YOU NAVIGATE THE MOST DIFFICULT CHALLENGES MOTHER NATURE CAN DISH OUT.

A LOT TO CONNECT WITH

The Uconnect® system is your customizable, connected vehicle platform dedicated to safe and seamless communication, navigation¹ and entertainment — all from one easy-to-use standard 12.3-inch touchscreen. You're always connected with available Jeep Connect¹⁰, whether in your vehicle or via the Jeep App¹⁰ on your device, which allows you to lock and unlock your vehicle remotely. Available.

Download the Jeep App¹⁰ and enrol in Jeep Connect¹⁰ to keep you in touch and in control of your vehicle like never before.

PHONE/TEXT

Pair up to eight phones, make calls, use voice commands to hear and respond to texts,¹¹ select media stations and access navigation. Includes Apple CarPlay³ support and Android Auto^{TM3} compatibility. Available.

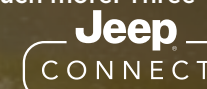

CONNECTIONS

With Siri Eyes Free¹² and your connected iPhone, use voice commands to make calls, create and send texts, and more.¹¹ Available GPS Navigation¹ helps you travel the best routes. A Wi-Fi Hotspot¹³ connects with up to eight devices within 15.2 m (50 ft) of your vehicle. Available.

JEEP® CONNECT¹⁰

From daily routines to weekend adventures, Jeep Connect lets you stay connected and protected with a suite of safety and convenience features. You can make a SOS¹⁴ Call, lock/unlock¹⁵ or start your Wrangler from virtually anywhere, use GPS navigation¹, receive drive alerts and much more. Three-month trial. Available.

ALEXA BUILT-IN¹⁷

Ask Alexa to stream music, navigate to points of interest, check the weather, view your calendar, build shopping and to-do lists or answer general questions. Available.

NAVIGATION AND CONNECTED TRAFFIC & TRAVEL SERVICES¹⁶

Connected search, traffic and travel services keep you moving toward your desired destinations. Available.

SIRIUSXM^{®2}

SiriusXM delivers over 150 channels of ad-free music in every genre, exclusive interviews and performances from our studios, plus world-class news, live play-by-play sports and the biggest names in comedy. Listen in your car or using the SiriusXM App² included in your six-month trial. Available.

SIRIUSXM WITH 360L²

Enjoy a personalized experience with on-demand audio, content recommendations and more variety. Available.

START YOUR CAR FROM AFAR

Start the engine, lock the doors, check fuel status and more using the available Jeep® Skill for Amazon Alexa.¹⁸

DEALER ePROCESS

ADVANCED SAFETY & SECURITY SYSTEMS

Enjoy real peace of mind with more than 80 standard and available safety & security features. Jeep® Wrangler stands as a constant guardian during your travels and includes sensors and cameras that keep watch around your perimeter, helping to ensure your well-being on the road.

ALL-NEW SIDE-CURTAIN AIR BAGS¹⁹

Standard on all models, first- and second-row side-curtain air bags help deliver greater peace of mind.

The all-new air bags are a complement to the standard driver and front-passenger air bags and front-seat-mounted driver and passenger side air bags.

ADVANCED SAFETY GROUP

This complete package uses active sensors to help you stay aware of your surroundings. It includes Auto High-Beam Headlamp Control, Full-Speed Forward Collision Warning Plus,⁹ Adaptive Cruise Control with Stop,⁹ Blind-Spot Monitoring⁹ and Rear Cross-Path Detection,⁹ Park-Sense® Rear Park Assist System⁹ and bright LED taillamps. Available.

BLIND-SPOT MONITORING⁹ AND REAR CROSS-PATH DETECTION⁹

Maintain a safe perimeter with the help of these sensor systems. Chimes and illuminated icons notify you when side or rear blind spots are encroached. Available.

DEALER ePROCESS

FULL-SPEED FORWARD COLLISION WARNING PLUS⁹

This available system uses radar sensors to detect if your Jeep Wrangler is approaching another vehicle too rapidly and alerts you with an audible chime and visual warning. It can even bring your vehicle to a complete stop if needed.

Properly secure all cargo.

CHECK YOUR GEAR HERE

IN-FLOOR STORAGE BIN The cargo floor behind the second row of seats hides a storage area whose lid secures when the swing gate is closed — perfect for storing larger items.

BINS AND POCKETS The cabin is designed to help you stay organized with cubbies, pockets and bins throughout, giving you plenty of places to store phones, computers, tablets, maps, gaming devices and more. The two-tiered centre console has a main bin big enough to fit an iPad and a convenient top tray for smaller gear. Cup holders are sized to hold larger beverage containers and have a dedicated slot for cell phone or key fob storage.

SMART SOLUTIONS ADD UTILITY

AIR COMPRESSOR

WEATHERPROOF PUSH-BUTTON START

AUXILIARY SWITCH GROUP

12-WAY POWER FRONT SEATS

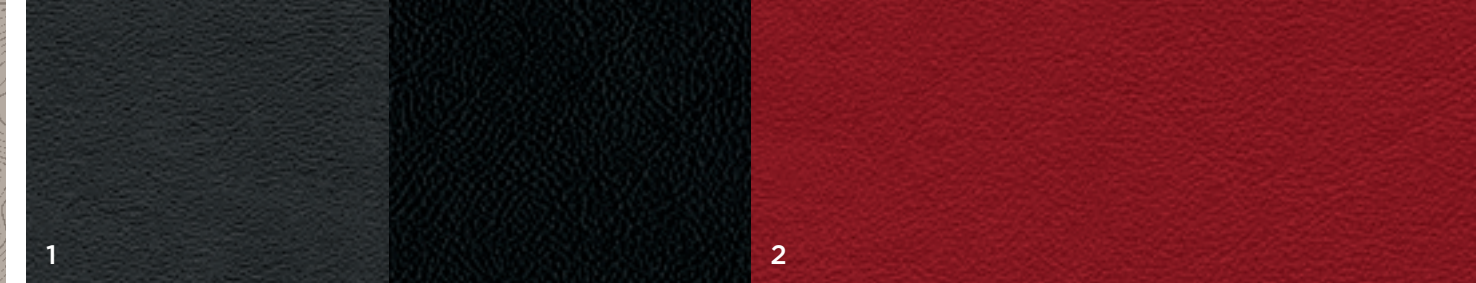

Rubicon® 392 in Anvil

WEATHERPROOF PUSH-BUTTON START The standard push-to-start button is protected by a water-resistant shield, so you're able to start up and head out should the weather outside accidentally come inside.

12-WAY POWER FRONT SEATS Whether off-roading or commuting, Wrangler delivers comfort and capability with available 12-way power front seats. And yes, the power seat mechanics are protected to withstand rain if the top is accidentally left off or when water fording⁴ ... a signature Trail Rated® attribute.

AUXILIARY SWITCH GROUP This bank of four switches, conveniently installed in the dashboard, is pre-wired from the factory to accept accessories like off-road lights and a winch, making their addition clean and hassle-free. Available.

ON-BOARD AIR COMPRESSOR Seasoned off-roaders know just how important an on-board air compressor is. Made with powder-coated brackets to resist corrosion, this integrated compressor lets you set the desired PSI and shuts off automatically when pressure is reached. The long hose and dual outlet can inflate two tires at once or connect to additional hoses to air up four tires at the same time.

MOPAR VEHICLE PROTECTION. FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Mopar Vehicle Protection offers extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge and Ram retailer or call (800) 465-2001.

WARRANTIES. 2024 Chrysler, Jeep, Dodge and Ram vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance.¹ SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres.² Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres.³ The EcoDiesel engine is backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance.⁴

*Whichever comes first. Some conditions may apply. ¹The 5-Year/100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

¹) Never program while driving. GPS mapping and 3D navigation may not be detailed or available in all areas or reflect current road regulations. ²) If you decide to continue service after your trial, the subscription plan you choose will continue and you will be charged according to your chosen payment method at then-current rates unless you cancel your services. Fees and taxes apply. Some services and features are subject to device capabilities and location availability. Please see the SiriusXM Customer Agreement at www.siriusxm.ca/terms for complete terms and how to cancel, which includes calling SiriusXM at 1-888-539-7474. All fees and programming are subject to change, provided that we will notify you in advance of any price change. We use personal information in accordance with our Privacy Policy, available at www.siriusxm.ca/privacy. ³) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Requires compatible iPhone. See retailer for phone compatibility. Data plan rates apply. To wirelessly use Android Auto on your car display, you need a compatible Android smartphone with an active data plan. You can check which smartphones are compatible at g.co/androidauto/requirements. ⁴) Do not attempt water fording unless depth is known and consistent with the vehicle's water fording rating in the Owner's Manual. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. ⁵) Be sure to follow all instructions in Owner's Manual for removal of top and doors, and lowering of windshield. Driving with doors off and windshield down is for off-road use only. ⁶) No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. ⁷) With Xtreme Recon 35-inch Tire Package including 35-inch tires. Class based on Ward's Small Sport/Utility Vehicle segmentation. ⁸) Based on manufacturer estimates. Actual mileage may vary. Obey the rules of the road. ⁹) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his or her surroundings and be prepared to take corrective action to avoid collisions. ¹⁰) All vehicles properly equipped to receive connected services come with a three-month trial of the full suite of Jeep Connect services effective from the date of purchase or lease of a new vehicle. Enrolment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue or renew services. Jeep Connect is available only on equipped vehicles purchased within the United States, Canada and Puerto Rico. Services can only be used where cellular coverage is available. ¹¹) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. ¹²) Siri Eyes Free requires an iPhone equipped with Siri. Certain features not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. ¹³) Three-month/1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. ¹⁴) Vehicle must be enrolled with Jeep Connect, be in an active and usable cellular range, and have an active subscription. SOS (Customer Care agent directs emergency assistance to your vehicle's location. ¹⁵) Vehicle must be enrolled with Jeep Connect, be in an active and usable cellular range, have an active subscription, and properly equipped with remote features. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. See Terms of Service for service limitations. ¹⁶) Vehicle must be enrolled with Jeep Connect, be in an active and usable cellular range, and have an active subscription. ¹⁷) Vehicle must be properly equipped with a Uconnect 5 NAV system. Requires a Wi-Fi Hotspot data plan and linked Amazon account to run Alexa in the vehicle. Amazon, Alexa, and all related logos and marks are trademarks of Amazon.com, Inc. or its affiliates. ¹⁸) Vehicle must be enrolled with Jeep Connect, be in an active and usable cellular range, have an active subscription, and be properly equipped with a Uconnect 5 or Uconnect 5 NAV system. Certain Alexa functionality is dependent on smart home technology. ¹⁹) The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a front-passenger air bag. All occupants should always wear their lap and shoulder belts properly. ²⁰) Automatic transmission only. ²¹) Not compatible with all garage door openers. ²²) Vehicle must be locked and system activated for alarm to sound.
